II. Brainstorm
very intimate and delicate

If I was lying down and then I stood up my

vision would go a little opaque just for a second Stand.

Opaque. Goes away. If I was
lying down and then I stood up my vision would go would

go a little opaque just for a second Stand. O -

paque. Goes away. Stand. O -
paque. Goes a-way. And I was reading in bed

And the words were tilted.

Til- ted And Jag- ged Til- ted And Jag- ged ev’ry straight line was jag- ged.

voice
And jagged.

And if it said

Marked, stacc.

Loud and grotesque, shocking

"At the house"

Then it said

"At The House"
calm again

Perfectly formed but tilted.

spoken:

Jagged
Tilted. And Jagged

ev'-ry

straight line was jagged.

loud and intrusive almost whispered:

awrg awrg awrg awrg for like two minutes then

click click click click click click click click then prrwgh prrwgh prrwgh prrwgh

normal quiet voice

It hurts my throat to do it much longer but it's much longer and with the earplugs it's pretty damn loud
The whole time it doesn't touch you

but it sees inside your head.

A circle with a mass of strings inside,
that's what your head looks like.

quiet ballad
Stand. Opaque. Goes a-way.

Poco piu mosso
Some-thing's wrong. I've been in

trou-ble be-fore., but I
never had something wrong. Fundamentally wrong.

Like you're broken. Suddenly passionate

I mean a
seriously wrong thing.

spoken:
White.
Threa-dy

On just one side?

on just one

calm and expressive
side? I mean a seriously wrong thing.
